SLU 1818 Advanced College Credit (ACC) Courses:

These courses are dual credit college courses. Chaminade students may choose to take the course for college credit or simply for credit toward high school graduation. Regardless of the choice the student makes, the course rigor and student expectations are designed as a college course, and compare to the rigor and expectations placed on students enrolled in the same course on the Saint Louis University campus. These courses are taught in affiliation with Saint Louis University. Chaminade faculty is adjunct instructors of Saint Louis University who are highly trained and accountable to maintain university standards.

If a student opts to take an 1818 ACC course for college credit, the grade they earn in the course will be recorded on an official Saint Louis University transcript. If a student enrolls as an undergraduate at Saint Louis University upon graduation from Chaminade their 1818 ACC college credit courses count towards their cumulative undergraduate GPA, and do not require a transcript request from SLU. 1818 ACC college credit may also be transferrable to other universities by requesting a transcript from Saint Louis University. Students are highly advised to check with their College Counselor regarding the transferability of the credit to an institution other than Saint Louis University.

Chaminade students registering for 1818 ACC courses are rewarded with full access to university libraries at the time of their studies. Students may register for both fall and spring semester courses.

In order to be eligible for dual credit courses,

- a) Students in the 11th and 12th grades must have an overall minimum cumulative grade point average of 80% are automatically eligible for dual credit courses.
- b) Students in the 11th and 12th grades with an overall cumulative grade point average between 75% - 80% must provide a signed letter of recommendation from their principal or guidance counselor and provide written permission from a parent or legal guardian.
- c) Students in the 10th grade must have an overall minimum cumulative grade point average of 80% and must provide a signed letter of recommendation from their principal and guidance counselor and provide written permission from a parent or legal guardian.
- d) Students in the 9th grade must have an overall minimum cumulative grade point average of 80% and score at the 90th percentile or above on the ACT or SAT, and provide a signed letter of recommendation from their principal and guidance counselor and provide written permission from a parent or legal guardian.
