League Play: Golfers will be placed on teams by the CYC with other golfers from Chaminade based on their grade. They will play six rounds throughout the season. The top five scores will be counted towards qualification for the year end championship at the end of June. If a golfer has to miss a week information on how to make up a missed round will be covered at the etiquette sessions.

What players need: Players are responsible for providing their own equipment. Players can use pull carts or rent them for an additional fee at the course. Range balls are included for the lessons but not the matches.

Parent Coordinator: We need a parent coordinator for each team. It is minimal responsibility. You would be responsible for email communications for the team each week, finding out if anyone will be absent on a given week, helping get the teams off at the matches, getting the score cards at the end of the rounds, transferring scores to a master scoresheet, and turning scores in to the CYC course manager. Please let me know if you are willing.

Severe Weather Updates: Using the CYC website click on the link titled weather updates. Follow the link and join the Facebook group for updates each weekend on cancelations and changes. This will be the only place for updates. Chaminade and the courses where your son is playing will not have access to this information. All information will be posted directly from the CYC.

Golf Etiquette Sessions: All golfers and their parent/guardian are required to attend a golf etiquette session. Attendance at one of these seminars is a mandatory requirement for eligibility and participation in any of the 2018 Post Season Tournaments. Please make sure you sign in at the meeting you attend. Dates: March 19th or 26th (TBD) St Joe Cottleville Time TBD; April 9th St Elizabeth - Stg Robert 7pm in the Cafeteria; April 23rd Immaculate Conception Dardennen 7pm in the Gym. Please check the CYC website for updates or changes to the schedule.
