

2018 AP College Board Exam Security Mandate! May 7-18, 2018

Students are PROHIBITED from bringing the following electronic equipment into the exam room or during the 10-minute break:

- ✓ any portable listening or recording device
- ✓ any email/messaging device, beeper, cellular phone, pager, MP3 player, iPod, personal digital assistant (PDA)
- ✓ any digital camera, smart phone, smart watch, or other wearable technology
- ✓ any laptop computer or tablet computer
- ✓ any Bluetooth-enabled device
- ✓ any other electronic or communication devices

The above items may not be stored in the exam room. The above items must be stored and secured in the student's back pack in an isolated area.

If a student violates this mandate, the device will be confiscated immediately and the student dismissed from the exam room.

Chaminade's AP Coordinator will be required to contact the Office of Testing Integrity and report the incident. Violations of exam security policies result in score cancellation, and under some circumstances individuals may be permanently barred from future testing.
